

GARDEN GEM AWARDS

The Garden Gem Awards highlight exceptional gardens and landscaping in Elk River.

Launched in 2025, the Elk River Garden Gem Awards program honors exceptional gardens and landscaping in Elk River. Each year, the Elk River Economic Development Authority and Housing Redevelopment Authority, with input from the Beautification and Public Art Committee, recognize residents and businesses that contribute to the city's beauty.

Winners will be formally recognized and presented with a personalized garden keepsake at a city meeting in August.

Nominations may be submitted by anyone including neighbors, contractors, friends, or the gardeners themselves.
