

# Tour of Manufacturing

**Saturday,  
October 7th  
10am-2pm**

Join us at Metal Craft for the Minnesota Tour of Manufacturing! Learn about our company, what we do, and see the VEX Robotics team from ISD 742!

This statewide tour is all about showing students and community members just how amazing modern manufacturing is.

Learn about the many careers manufacturing has to offer as well as some of the incredible things we make.

13760 Business Center Drive  
Elk River, MN 55330

**763-441-1855**
